

Foundation Award

~When saying “Thank You” just isn’t enough~

*Because every student needs a good **Foundation**,*

the Lewisville ISD Education Foundation has created an award to recognize and appreciate those special teachers and staff members whose words and/or actions have captured your admiration and inspired excellence.

While family, friends, and colleagues can honor an LISD employee any time during the year with the **LEF Foundation Award**, it is especially appropriate during the Thanksgiving season or Teacher Appreciation Week in May.

LEF Foundation Award contributions are tax-deductible and directly support Foundation programs that benefit LISD teachers, students, classrooms, and schools. Recognition forms can be completed online or by mail.

With a recommended donation of at least \$25, the Lewisville ISD Education Foundation will send a letter to your honoree sharing your words of appreciation. In addition, the campus principal, if appropriate, and LISD Superintendent will receive notification of all personnel honored with a **Foundation Award**. Donations of \$50 or greater will entitle the honoree to also receive a recognition lapel pin.
