ABOUT THE LEWISVILLE ISD EDUCATION FOUNDATION

The Lewisville ISD Education Foundation, founded in 1990, is a public, non-profit 501(c)(3) corporation. Created to support excellence in education, LEF establishes and distributes supplemental funds for enrichment purposes in designated program areas. The Foundation is a passionate group of community volunteers dedicated to investing in the future of our children and to encouraging innovative teaching and higher education for the 13 communities served by Lewisville ISD.

From 1990 through tonight, LEF has awarded \$4.4 million in student scholarships, teacher grants, campus grants and more. During this same period over \$2.5 million in scholarships have been awarded. To learn more about LEF programs and how you can support excellence in education, please visit us at lisdef.com.

You may also visit our website to support future Lewisville ISD students and scholarships by making a donation to our existing scholarship funds or by establishing a new one in the name of a family member, colleague or company.
